Train Your Team for Less at Elevate26

Bring your team to brush up their skills at Elevate26 pre-conference training and **save with our group discount when 3+ team members attend**. Training sessions for admins and end users of our Growth and Contracts solutions will be available on Wednesday, October 21.

Learn tips for more efficient system use, uncover features you may not currently be using, and maximize your ROI in TechnoMile software. These pre-conference training sessions are available as add-on tickets for \$345, with group discounts available when 3+ team members participate.

Learn more about pre-conference training on our [dedicated training website](#).

You're Invited: AI Proposal Automation Webinar

Join us on September 2 at 11am ET for our webinar, **The Handoff Problem: Why Capture Intel Dies Before It Reaches Your Proposal**. Too often, critical capture intelligence gets lost before proposal drafting begins – this session will showcase how to close this gap with a connected, AI-powered opportunity-to-award workflow.
