

The latest **company, products, and services** updates.

Debut Episode: Federal Market Frontlines with Tom Temin

We're excited to share the first episode of our new federal market show, **TechnoMile's Federal Market Frontlines with Tom Temin**.

In the [debut episode](#), Tom interviews TechnoMile CEO, Ashish Khot, and they discuss the company's recent merger with SIMS Software and how federal contractors can better handle growth, compliance, and security in today's changing GovCon world.
