TechnoMile Welcomes a New CPTO

We're thrilled to share that **Anupriyo Chakravarti has joined TechnoMile's leadership team as our Chief Product & Technology Officer**, leading our product, technology, and engineering teams.

He brings 30 years of experience building enterprise software, AI-powered platforms, and technology for highly-regulated industries and we're excited to have him guiding the vision and development of TechnoMile's enterprise platform that powers growth, contracts, compliance, and industrial security for organizations executing the government mission.

Join Us at Elevate26 to See New Growth & Contracts Capabilities in Action

Exciting new capabilities are coming to our Growth & Contracts Suites and **we want to show you at Elevate!** Make plans to attend our [annual customer conference](#) on October 22 at the Hyatt Regency Tysons Corner. In addition to learning about our product roadmap and vision, the afternoon breakout sessions will give you the chance to deep dive into:

Growth Track

- **Agentic Capture: Accelerating Every Pursuit** — Discover how TechnoMile's Growth Suite and our new Agentic Capture capabilities help BD and Capture teams accelerate every stage of the pursuit lifecycle.
- **The Future of Contract Vehicles: Buying Trends, AI & What's Next** — Get insight into the latest contract vehicle consolidation and growth trends and see how NoticesIQ is putting AI to work to help you capitalize on this opportunity.
- **AI-Powered Growth: The Roadmap from Opportunity to Award** — Learn more about our roadmap investments across AI-powered capture, opportunity intelligence, OTA opportunities, proposal integration, and task order management.

Contracts Track

- **Mod Madness Managed: End-to-End Automation with AI** — Explore the next evolution of Transform Copilot, extending AI beyond mod summarization to take action, helping teams move from insight to update with far less manual effort.
- **Ask More of Mila: Tools, Recommendations, and Best Practices** — Learn how to put the expanding capabilities of Mila – your intelligent digital assistant – to work to save you time and inform decision-making.
- **Skill Up: Pre-Built AI for Everyday Contracts Work** — Get your first look at TechnoMile's AI Library — a growing set of pre-built, customizable AI tools designed to tackle real Contracts challenges and help you work more efficiently.
